If the applicant formerly resided in another state, the general registrar shall send the information contained in the applicant's registration application to the appropriate voter registration official or other authority of another state where the applicant formerly resided, as prescribed in subdivision 15 of § 24.2-114.

§ 24.2-653. Voter whose name does not appear on pollbook or who is marked as having voted; handling of provisional ballots; ballots cast after normal close of polls due to court order extending polling hours.

159 A. When a person offers to vote pursuant to § 24.2-652 and the general registrar is not available
160 or cannot state that the person is registered to vote, then such person shall be allowed to vote by printed
161 ballot in the manner provided in this section. This procedure shall also apply when required by § 24.2-643
162 or 24.2-651.1.

163 Such person shall be given a printed ballot and provide, subject to the penalties for making false
164 statements pursuant to § 24.2-1016, on a green envelope supplied by the Department of Elections, the
165 identifying information required on the envelope, including the last four digits of his social security
166 number, if any, full name including the maiden or any other prior legal name, date of birth, complete
167 address, and signature. Such person shall be asked to present one of the forms of identification specified
168 in subsection B of § 24.2-643. The officers of election shall note on the green envelope whether or not the
169 voter has presented one of the specified forms of identification. The officers of election shall enter the
170 appropriate information for the person in the precinct provisional ballots log in accordance with the
171 instructions of the State Board but shall not enter a consecutive number for the voter on the pollbook nor
172 otherwise mark his name as having voted. The officers of election shall provide an application for
173 registration to the person offering to vote in the manner provided in this section.

174 The voter shall then, in the presence of an officer of election, but in a secret manner, mark the
175 printed ballot as provided in § 24.2-644 and seal it in the green envelope. The envelope containing the
176 ballot shall then promptly be placed in the ballot container by an officer of election.

177 An officer of election, by a written notice given to the voter, shall (i) inform him that a
178 determination of his right to vote shall be made by the electoral board, (ii) advise the voter of the beginning
179 time and place for the board's meeting and of the voter's right to be present at that meeting, and (iii) inform
180 a voter voting provisionally when required by § 24.2-643 that he may submit a copy of one of the forms
181 of identification specified in subsection B of § 24.2-643 to the electoral board by facsimile, electronic
182 mail, in-person submission, or timely United States Postal Service or commercial mail delivery, to be
183 received by the electoral board no later than noon on the third day after the election. At the meeting, the
184 voter may request an extension of the determination of the provisional vote in order to provide information
185 to prove that the voter is entitled to vote in the precinct pursuant to § 24.2-401. The electoral board shall

186 have the authority to grant such extensions which it deems reasonable to determine the status of a
187 provisional vote.

188 B. The provisional votes submitted pursuant to subsection A, in their unopened envelopes, shall
189 be sealed in a special envelope marked "Provisional Votes," inscribed with the number of envelopes
190 contained therein, and signed by the officers of election who counted them. All provisional votes
191 envelopes shall be delivered either (i) to the clerk of the circuit court who shall deliver all such envelopes
192 to the secretary of the electoral board or (ii) to the general registrar in localities in which the electoral
193 board has directed delivery of election materials to the general registrar pursuant to § 24.2-668.

194 The electoral board shall meet on the day following the election and determine whether each
195 person having submitted such a provisional vote was entitled to do so as a qualified voter in the precinct
196 in which he offered the provisional vote. If the board is unable to determine the validity of all the
197 provisional ballots offered in the election, or has granted any voter who has offered a provisional ballot
198 an extension as provided in subsection A, the meeting shall stand adjourned, not to exceed seven calendar
199 days from the date of the election, until the board has determined the validity of all provisional ballots
200 offered in the election.

201 One authorized representative of each political party or independent candidate in a general or
202 special election or one authorized representative of each candidate in a primary election shall be permitted
203 to remain in the room in which the determination is being made as an observer so long as he does not
204 participate in the proceedings and does not impede the orderly conduct of the determination. Each
205 authorized representative shall be a qualified voter of any jurisdiction of the Commonwealth. Each
206 representative, who is not himself a candidate or party chairman, shall present to the electoral board a
207 written statement designating him to be a representative of the party or candidate and signed by the county
208 or city chairman of his political party, the independent candidate, or the primary candidate, as appropriate.
209 If the county or city chairman is unavailable to sign such a written designation, such a designation may be
210 made by the state or district chairman of the political party. However, no written designation made by a
211 state or district chairman shall take precedence over a written designation made by the county or city

chairman. Such statement, bearing the chairman's or candidate's original signature, may be photocopied and such photocopy shall be as valid as if the copy had been signed.

Notwithstanding the provisions of the Virginia Freedom of Information Act (§ 2.2-3700 et seq.), attendance at meetings of the electoral board to determine the validity of provisional ballots shall be permitted only for the authorized representatives provided for in this subsection, for the persons whose provisional votes are being considered and their representative or legal counsel, and for appropriate staff and legal counsel for the electoral board.

If the electoral board determines that such person was not entitled to vote as a qualified voter in the precinct in which he offered the provisional vote, is unable to determine his right to vote, or has not been provided one of the forms of identification specified in subsection B of § 24.2-643, the envelope containing his ballot shall not be opened and his vote shall not be counted. The provisional vote shall be counted if (a) such person is entitled to vote in the precinct pursuant to § 24.2-401 or (b) the Department of Elections or the voter presents proof that indicates the voter submitted an application for registration to ~~the Department of Motor Vehicles or other~~ a state-designated voter registration agency or the voter's information was transmitted by the Department of Motor Vehicles to the Department of Elections pursuant to § 24.2-411.3 prior to the close of registration pursuant to § 24.2-416 and the registrar determines that the person was qualified for registration based upon the application for registration submitted by the person pursuant to subsection A. The general registrar shall notify in writing pursuant to § 24.2-114 those persons found not properly registered or whose provisional vote was not counted.

If the electoral board determines that such person was entitled to vote, the name of the voter shall be entered in a provisional votes pollbook and marked as having voted, the envelope shall be opened, and the ballot placed in a ballot container without any inspection further than that provided for in § 24.2-646.

On completion of its determination, the electoral board shall proceed to count such ballots and certify the results of its count. Its certified results shall be added to those found pursuant to § 24.2-671. No adjustment shall be made to the statement of results for the precinct in which the person offered to vote. However, any voter who cast a provisional ballot and is determined by the electoral board to have

238 been entitled to vote shall have his name included on the list of persons who voted that is submitted to the
239 Department of Elections pursuant to § 24.2-406.

240 The certification of the results of the count together with all ballots and envelopes, whether open
241 or unopened, and other related material shall be delivered by the electoral board to the clerk of the circuit
242 court and retained by him as provided for in §§ 24.2-668 and 24.2-669.

243 C. Whenever the polling hours are extended by an order of a court of competent jurisdiction, any
244 ballots marked after the normal polling hours by persons who were not already in line at the time the polls
245 would have closed, notwithstanding the court order, shall be treated as provisional ballots under this
246 section. The officers of election shall mark the green envelope for each such provisional ballot to indicate
247 that it was cast after normal polling hours due to the court order, and when preparing the materials to
248 deliver to the registrar or electoral board, shall separate these provisional ballots from any provisional
249 ballots used for any other reason. The electoral board shall treat these provisional ballots as provided in
250 subsection B; however, the counted and uncounted provisional ballots marked after the normal polling
251 hours shall be kept separate from all other ballots and recorded in a separate provisional ballots pollbook.
252 The Department of Elections shall provide instructions to the electoral boards for the handling and
253 counting of such provisional ballots pursuant to this section.

254 **2. That § 24.2-411.1 of the Code of Virginia is repealed.**
